Manage Vineyards – Icewine Management – Vineyards SCREEN

The first time this screen will look as follows, as your list will be empty, once you add your Grower(s) they will appear here. This is only for adding a **NEW** Grower.

To add a Grower Click “CREATE NEW”

Icewine Management - Vineyards for:

There are no Vineyards registered yet for this Grower.

Print**Create New ..**Exit

NEW Vineyard Information:

Grower Number: You **MUST** know the **WINE GRAPE GROWER Registration Number** (this number comes from the Wine Grape Grower and is issued by the BCWA - it is given to every registered Wine Grape Grower in BC, if unsure contact the BCWA)

Vineyard Name: Enter the Vineyard name associated with the Registered Wine Grape Grower Number

GI: Select the area, 95% of which the grapes are grown in (British Columbia is NOT allowed for an Icewine)

Varietal: Select the grape varietal. Only those with an asterisk are allowed

NOTE** If you will have several varieties from one grower, then each variety must be set up separately under that grower's name, vineyard & WG number.

Example: grower “Z Vineyard” for a Chardonnay and same grower, “Z Vineyard” but a Riesling – this will be two separate entries for the same Wine Grower.

Address Line 1 & 2: Enter and complete street address

City/Town: Enter the city or town

Comments: If the address joins another location or township block you may add any those details here.

SAVE: **Don't forget to click SAVE!** And click **OK** in the pop up box.

Declaration:

Your Name: Must be FULL Name, First and Last of the authorized person. Once ALL information is complete and the Declaration has been read the typed name will become your official authorized signature.

I Agree: Click on and off of "I Agree" to ensure the tick mark is active

SAVE: You MUST click "Save" and "OK" to finish the application.

Declaration

As an authorized representative for the winery / grower (as applicable) I warrant the information entered on this web form is a true and complete representation of the grapes, must, and/or juice described.

I agree to record and provide all information to the BC Wine Authority that is required to verify the disposition and processing of grapes, juice and wine produced from the grapes documented in this submission. I agree to submit to an audit upon request by the BC Wine Authority and I consent to the sharing of information collected related to my participation in this program with other government agencies for purposes of verifying compliance.

I acknowledge and agree that the grape registration portion of this form must be completed and submitted on or before October 31 and that harvest data must be completed within 3 weeks of harvest in order for the grapes to qualify for Late Harvest wines or Icewines.

REGISTERING LATE HARVEST:

LATE HARVEST – is Registered the same way, using the IW-1 from - BUT you must **click the box** “Intended Late Harvest”

****NOTE**** if you have registered a variety for Icewine and then wish to change it later to Late Harvest you do this by clicking into the existing registration and then clicking the box “Intended Late Harvest”.

It is recommended that when in doubt always register as an Icewine, as this can be changed to a Late Harvest, BUT a Late Harvest CAN'T be changed to Icewine.

ENTERING HARVEST & PRESSING INFORMATION FOR BOTH ICEWINE AND LATE HARVEST

Click on the **Registration number** from the Icewine Management screen
And then on the TAB called Harvests (IW-2 forms) - Click the grey button "New Harvest"

This will open the below screen. Complete the Harvest information and don't forget to **SAVE**. (you must do this before you can enter Pressing information.)

Once your harvest has been recorded you may then go back into the Harvest tab and enter the First & Second pressing screens and complete that information.

Icewine & Late Harvest Management - Harvest & Pressings

Grape and juice products are not certified by the BC Wine Authority

Harvest (IW-2 form) | First Pressing | Second Pressing

New Harvest

Harvest Number: 1
Grower: Z Winery
Vineyard: Z Only
GI / sub-GI: Okanagan Valley
Varietal: Chardonnay
Your Reference: (optional)
Harvest Start: Date Time : AM PM Temp 0 °C
Harvest End: Date Time : AM PM Temp 0 °C
(specify Time as 'hh:mm')

Harvested: Tonnes 0

You must first save the Harvest information before you can add a Pressing.
